## TENANT'S FREQUENTLY ASKED QUESTIONS:

### **Q: Why do I need to pay an application fee?**

A: Whilst referencing is a straightforward process for the tenant, it can often be a complex process for ourselves. Your application fee covers this and the preparation of the legal paperwork.

### **Q: Why do I need to pay a deposit?**

A: The Landlord is trusting you to keep their property in good order. The deposit is held against non payment of rent and to ensure that any damages over and above fair wear and tear can be corrected at the end of the tenancy.

### **Q: Why do I need to be referenced?**

A: Referencing gives the Landlord a clearer picture of you and it's there to help them make an informed decision on who to accept.

### **Q: Who will hold my deposit?**

A: Your deposit will be held by the DPS (deposit protection service) or an alternative government approved deposit protection scheme details of which will be provided to you once your tenancy starts.

### **Q: Why do I need a guarantor?**

A: Sometimes referencing decisions ask for a guarantor as your earnings may not be considered quite enough to pay the rent or you may not achieve the appropriate rating set by the referencing agency. Do not worry, this is not uncommon.

### **Q: What does a guarantor need to do?**

A: A guarantor normally needs to be referenced in the same way as the applicant. They would normally be required to be employed and resident in the UK with sufficient earnings to cover your rental commitment. The Guarantor is responsible for paying any rent arrears if the tenant does not pay and any damages costing more than the deposit.

### **Q: When can I collect my keys?**

A: You will need to contact us at least 7 days before your intended move in date to book a 'Check in appointment'. Please be aware that appointments are booked on a 'first come first serve' basis. If you turn up to collect your keys without a booked appointment then we may not be able to provide you with immediate access.

### **Q: How do I pay my rent?**

A: We recommend that you pay your first rental payment 7 days before your tenancy start date. If we cannot verify that your payment has reached us we won't be able to provide you with access to the property. Please refer to your tenancy agreement for the date you tenancy starts. Your payment can be paid in cash or debit card at our offices or via BACS transfer into our bank account as follows:

**Bank: Barclays Bank**

**Sort Code: 20-60-58**

**Account Number: 33913538**

**Name: Bluestone**

**(You MUST ensure that you use the first line of the rental property address as your reference)**

### **Q: What is a 'Lead Tenant'?**

A: The lead tenant is the individual that acts on behalf of all the other tenants and any third party when dealing with us.

The lead tenant must notify us of any damages or potentially required maintenance. Although we visit the property on our scheduled inspections some issues may require more urgent attention. Some issues only a tenant actually living within a property on a day to day basis will be conscious of and we cannot be expected to be aware of unless notified.

The lead tenant will have to register with the Deposit Protection Service (DPS) before the end of the tenancy using the Deposit ID number which will be given to you by us shortly after the deposit has been lodged with the DPS. After registration he/she will be able to see details of the deposit(s) secured and check that all tenant contact details are correct and up to date.

**Deposit Validation** At the end of the tenancy it is the lead tenant's responsibility to validate the deposit amounts returnable. Once we notify the DPS of the deposit amounts returnable they will contact the lead tenant for verification before forwarding any funds. If any tenant requires clarification or disputes any deductions made they will need to notify the lead tenant and us to stop the validation. It is everyone's responsibility to communicate agreement/disagreement with the deposit amount returnable to the lead tenant. If the lead tenant does not hear from any one tenant and cannot make contact with them after all reasonable efforts have been made they will assume agreement and proceed with validation.

**Q: What is a tenancy agreement?**

A: A legal documents which sets out the rules with which the tenant and landlord agree to comply.

**Q: Who is responsible for repairs?**

A: In most cases the Landlord is responsible for repairs either themselves or via ourselves. If you do damage to the property, you would normally be expected to cover the cost of putting this right.

**Q: What if I want to leave?**

A: If you are in a fixed term contract, you cannot normally leave the property before the end of the contract. If you are out of your fixed term contract there would normally be a notice period to serve.

**Q: What happens if I lose my job?**

A: It is always your responsibility to ensure your rent is paid, however you can talk to ourselves to discuss possible payment plans and insurance policies to protect you from unemployment.

**Q: Can my Landlord let himself into the property while I am living there?**

A: Your Landlord cannot enter the property without giving you notice (unless it is an emergency).

**Q: What is a 'joint & several' tenancy?**

A: This is where there is to be more than one person living in the property; the tenancy will say they are "jointly and severally" responsible. This expression means that, jointly, the tenants are liable for the payment of all rents and all liabilities falling upon the tenants during the tenancy, as well as any breach of the Agreement. Individually each tenant is responsible for payment of all rent and all liabilities falling upon the tenant, as well as any breach of the Agreement until all payments have been made in full.

**Q: Who insures my belongings?**

A: You are responsible for insuring your personal items. We can offer you a quote from a range of affordable insurance policies taylored to your personal needs. Just let us know if you'd like a quote.

**Q: What can I do if I have complaint**

A: If you have a complaint you should put your concerns in writing. The correspondence will be acknowledged within 5 working days. The matter will then be investigated within 15 working days. Please note that we have a zero tolerance policy on aggressive or abusive behaviour.
